

Allure Bay  
BartendoTron Series One X

User Operations Guide

Connection Instructions

1. Exactly 4 (four) users need to connect to the virtual bar in the Allure Bay Casino.
2. Using a mobile device, scan the QR code and open the resulting link in Chrome, Safari, or Edge on that device.
3. Once connected, select “Enter”. On iOS, you will additionally need to accept the system dialog that appears.
4. When you are ready to begin service, select “Ready Up”.
5. Once the ready count is 4, one user should click the “Everyone is Ready” button, and drink service will begin.
6. For best operational experience, lock rotation on your device, do not allow the screen to fall asleep during operation, and keep the device at approximately a 45-degree angle relative to the ground.

Mobile Remote Interface:

Making a Drink:

1. Select the cup (1–4) that you want to place an ingredient or perform an operation into/on.
2. Select the intended ingredient/operation.
3. Perform the associated action or series of actions for that ingredient/operation.
4. Once the action is completed, you should see that the selected ingredient/operation has been added to/performed on the selected cup.
5. If you change your mind, select the red X in the upper left corner before finishing the action to return to the previous menu.
6. If you want to serve the contents of the cup in front of you, press “Serve Glass”.
7. If you want to empty the cup in front of you rather than serving it, press “Discard”.
